HH\$55 / \$110

330ML ALC 8.2% VOL.

The colour is golden and the head creamy and light. It's hopped and surprisingly malty for such an airy beer. The aftertaste is fruity almost cherry and has a big body and rich mouth feel and a long, sweet aftertaste. Commonly named 'DT' a disease named after people who are addicted to alcohol.

330ML ALC 8.5% VOL.

Strong golden ale with a lean firm body. A unique mixture of citrus hops and malt flavour all backed by a strong alcoholic content that led one early drinker to call it a 'devil of a beer'.

HH\$55 / \$110

4 Gulden Draak
330ML ALC 10.5% VOL.

Named for the golden statue at the top of the clock tower of Ghent. Gulden Draak is a dark brown triple ale, which makes it an exception among the Belgian triples. The second fermentation offers a nice creamy head, its full body with all the vitamins of the centuries-old brewers yeast. It is a 'thick' beer that you can actually 'nimble' to adventure the complex taste. Gulden Draak balances a natural malt toffee-like sweetness with some hoppy accents. The aroma is round, sweet and reveals the 10.5% alcohol volume. You sip and enjoy this beer slowly. 'A treat you definitely deserve'.

HH\$55 / \$110

5 Satan Gold
330ML ALC 8% VOL.

A round, fine tasting beer. Fruity with a touch of bitterness. Carefully selected hops leave a pleasant yeast character drying the palate and leaving a slightly roasted nut flavour. Malty and slightly sticky on the finish, brewed with fermentation in the bottle.

HH\$60 / \$120

Golden Ales

金色艾爾啤酒

Golden ales are special to each brewhouse, with very few characteristics binding the together. They, like their taste and presentation, are unique, the most popular and unique golden ale being Duvel.

Also known as blonde ales, they range in colour from that of straw to golden blonde. They are clear, crisp and dry with low-to-medium bitterness, and aroma from hops, and some sweetness from malt.

Fruitiness from esters may be perceived but do not dominate the flavour or aroma. A lighter body from higher carbonation may be noticed.

Abbey Beers

修道院啤酒

Distinct from trappist beers, abbey beers are brewed by commercial brewers and license their name from abbeys, some defunct, some still operating. Like trappist beer, abbey beer is not so much a style of beer but covers in fact several styles.

Under each brand name, typically a range of several beers is presented, with blonde or brown versions of typically 6.5% ABV which are also available on draught, and stronger bottled beers in the dubbel or tripel styles.

1 Affligem Tripel
300ML ALC 9% VOL.

King of the abbey beers. Delivers a complex, full-bodied flavour. Vibrant orangey-amber coloured with a slight haze. Soft, thick creamy head. Aroma of yeast, pepper, coriander, pear, tangerine and banana. Dry pepper alcohol notes come next, leading to a slightly sweeter velvet fruity middle with tangerines and apple skins. Finishes with a herbal hoppiness.

HH\$60 / \$120

2 Karmeliet
330ML ALC 8.4% VOL.

Blond, robust, smooth and fruity three-grain top-fermented beer, fermented in the bottle, making it always fresh. Brewed with pride and patience after Karmeliet tradition with wheat, oat and barley.

HH\$60 / \$120

3 Maredsous
330ML ALC 6% VOL.

Trappist Beers

修道院啤酒

A trappist beer is a beer brewed by or under control of trappist monks. Of the world’s 171 trappist monasteries (as of December 2016), twelve produce beer and six are in Belgium.

These breweries are authorised to label their beers with the ‘authentic trappist product’ logo that indicates a compliance to various rules edicted by the international trappist association. No profit can be made unless it is used for charity or for renovating purposes.

The beer must be brewed with water from the well of the monastery, under the supervision of the monks and within the walls of the monastery.

The ordinance prescribed that the monks had to provide themselves with food and beverage. The beverage that was available at that time was beer.

1 Chimay Blanche Tripel
330ML ALC 8% VOL.

Golden colour, slightly hazy, a fine head with an aroma of fresh hops and yeast. Fruits of muscat and raisins complement the touch of bitterness. The beer is re-fermented in the bottle without any pasteurisation.

HH\$60 / \$110

2 Chimay Bleue
330ML ALC 9% VOL.

The most popular of the Chimay’s range and is also known as ‘Grande Reserve’. Very dark and full-bodied with a complex aroma. Although slightly denser, the Bleue is a pleasure to drink.

HH\$65 / \$130

3 Chimay Rouge
330ML ALC 7% VOL.

With a strong flavour, not too bitter with a beautiful ‘bouquet’. Topped with a creamy head, it gives off a light, fruity apricot aroma produced by the fermentation. Tangerines and apple skins. Finishes with a herbal hoppiness.

HH\$55 / \$110

4 La Trappe Tripel
330ML ALC 8% VOL.

Nice amber-orange coloured brew with a complex aroma of banana and bubblegum. Lots of citrus flavours are noticed referring to bananas, orange and peach. The finish is flowery yeasty with hints of coriander, clove and other spices and slightly alcoholic. One of the non-Belgian trappist beers from the Netherlands.

HH\$55 / \$110

5 Rochefort 8
330ML ALC 9.2% VOL.

Rochefort 8 pours an opaque mahogany colour with a mocha-coloured head. Complex aroma of raspberries, oak and dark fruits. Flavour is absolutely marvelous! It is simultaneously spicy, malty, fruity, bitter and dry. Some hints of citrus, blackberries, pepper and yeasty undertones.

HH\$60 / \$120

6 Rochefort 10
330ML ALC 11.3% VOL.

‘The strong man trappist’. Very strong, full and spicy flavour, bitter. Made at Notre-Dame de Saint Remy, in the south of Belgium. A velvet-like hint of caramelised malt. This nut-brown full bodied beer is currently ranked as the number 8 best beer in the world. Absolute top quality, delicate hop-bitterness. Enjoy!

HH\$75 / \$150

It has a very attractive aroma of fruits, yeasts, spices, caramel and malts. Full bodied with moderate carbonation, the flavour is malty with hints of plums, banana, yeast and spices. The finish is somewhat dry and fruity with a lingering sweetness.

HH\$50 / \$100

8 Westmalle Tripel
330ML ALC 9.5% VOL.

A fine white creamy head leaving behind a fine lace pattern on the glass. It is a complex beer with a fruity aroma and nice hop scent with slight hints of alcohol breaking through on the nose. HH\$45 / \$90

4 Lindemans Pecheresse

250ML ALC 2.5% VOL.

A fresh fruity drink with the background of the rich bouquet of lambic style. Pecheresse means 'from peaches' in French. Golden in colour, with a nose that fills the room with fresh peaches. Sparkling, crisp with a refreshing balance of fruit and acid.

HH\$45 / \$90

5 Mongozo Coconut

330ML ALC 2.5% VOL.

HH\$60 / \$120

Fruit Beers

水果啤酒

Fruit beers are 'Lambic' style beers, which are usually blends of two or more beers.

In the process of creating this style spontaneous fermentation is used, where the barrels are exposed to the open air after the 'wort' has cooled.

There is a wide variety of fruit beers as 'Lambic' style beers, they are commonly tart and require the addition of sugar or fruit flavours.

Big Size 特色啤酒

1 Deus Brut de Flandres 750ML ALC 11.5% VOL.

Pours a fantastic, gorgeously blossoming head and deep yellow straw brew, exploding in a bouquet of yeast and summer fields. Aroma is fruity with citrus and grape and is very wine-like. HH\$340 / \$680

2 Chouffe Houblon Dobblen IPA Tripel 750ML ALC 9% VOL.

Pours a golden haze, cloudy and opaque colour with a light bubbly head that dissipates quickly and leaves lacing down the glass. Crisp straw smell with maybe some light malt flavours almost like champagne apple cider. Taste is light and refreshing. Hops, come through lightly. Citrus and pear notes shine in the finish. Light and crisp with hints of grass straw. High carbonation, a great finish, very solid beer.

3 La Chouffe 750ML ALC 8% VOL.

Beautiful marriage of tangerine and yeast flavours. Quite spicy with a terrific mouth feel that tingles the tongue. It's actually to be categorised in between a white beer and golden strong ale. This is a wonderful Belgian strong!

HH\$115 / \$230

4 Saison Dupont 750ML ALC 6.5% VOL.

A huge fluffy head, amber colour, hazy appearance and balanced flavour of sweet malt hops. Saison Dupont has light hints of spice and earth alongside Belgian yeast. This is a true reference for farm-house ale. Mouth feel is clean and crisp and the aftertaste leaves a lingering bitterness. Utterly sublime. Probably the best of its kind.
