**BARMAN**

Amber Ales

琥珀艾爾啤酒

Throughout Europe commonly referred to as ‘pale ale’, made exclusively or primarily from barley malt, seasoned with hops, amber ales are easy drinking and vary from light amber to dark amber.

One of the older styles of Belgian national brews, amber ales are made throughout the country allowing each brew to be significantly different from the other. Amber in colour and is usually sweeter and less bitter.

1 De Koninck

250ML ALC 5.2% VOL.

Aroma of toasted bread and caramel sauce with a light spicy scented yeastiness. Tastes of light tangy fruitiness with apricots, apples and bananas. A faint bitterness on the end with a drying spicy finish.

HH\$50 / \$100

2 Gouden Carolus Classic

330ML ALC 8.5% VOL.

Sweet and rich with complex multi-layers. Molasses, toffee, and ripe fruit are very apparent on the nose. A wonderful finish of toasted malt and coffee.

HH\$60 / \$120

3 Kwak

330ML ALC 8.4% VOL.

Deep amber beer with an earthy aroma; liquorice-like; nougat, chewiness, warm finish reminiscent of caramelised bananas. Made from three malts including some wheat; and white candy sugar is added in the kettle. You might lose your shoe over this beer.

HH\$55 / \$110

4 Palm

250ML ALC 5.2% VOL.

Palm ale is produced by a brewery with a history dating back to 1747. It is a very drinkable, everyday beer. Fresh and clean; with a full amber colour; toasty malt character; and a balancing citrus fruitiness.

HH\$50 / \$100

5 Piraat

330ML ALC 10.5% VOL.

A hoppy interpretation, with a lot of Saaz character from Van Steenberge of Ertvlede, East Flanders. Piraat has a gold to bronze colour, a spicy hop aroma, creamy, nutty (almond) palate, and fruity dryness with a warming finish.

HH\$60 / \$120

1 Delirium Tremens

330ML ALC 8.2% VOL.

The colour is golden and the head creamy and light. It's hopped and surprisingly malty for such an airy beer. The aftertaste is fruity almost cherry and has a big body and rich mouth feel and a long, sweet aftertaste. Commonly named 'DT' a disease named after people who are addicted to alcohol.

HH\$65 / \$130

2 Gordon Finest Gold

330ML ALC 10% VOL.

Pours a clear deep golden yellow with a big frothy white head. Aromas of sweet apples, yeast and citrus fruit. On the palate a sweetish taste of peach, toasted malt and alcohol. A well crafted strong ale with a smooth taste and explosive nature.

HH\$60 / \$120

3 Duvel

330ML ALC 8.5% VOL.

Strong golden ale with a lean firm body. A unique mixture of citrus hops and malt flavour all backed by a strong alcoholic content that led one early drinker to call it a 'devil of a beer'.

HH\$60 / \$120

4 Gulden Draak

330ML ALC 10.5% VOL.

Named for the golden statue at the top of the clock tower of Ghent. Gulden Draak is a dark brown triple ale, which makes it an exception among the Belgian triples. The second fermentation offers a nice creamy head, its full body with all the vitamins of the centuries-old brewers yeast. It is a 'thick' beer that you can actually 'nimble' to adventure the complex taste. Gulden Draak balances a natural malt toffee-like sweetness with some hoppy accents. The aroma is round, sweet and reveals the 10.5% alcohol volume. You sip and enjoy this beer slowly. 'A treat you definitely deserve'.

HH\$60 / \$120

5 Satan Gold

330ML ALC 8% VOL.

A round, fine tasting beer. Fruity with a touch of bitterness. Carefully selected hops leave a pleasant yeast character drying the palate and leaving a slightly roasted nut flavour. Malty and slightly sticky on the finish, brewed with fermentation in the bottle.

HH\$65 / \$130

Golden Ales

金色艾爾啤酒

Golden ales are special to each brewhouse, with very few characteristics binding the together. They, like their taste and presentation, are unique, the most popular and unique golden ale being Duvel.

Also known as blonde ales, they range in colour from that of straw to golden blonde. They are clear, crisp and dry with low-to-medium bitterness, and aroma from hops, and some sweetness from malt.

Fruitiness from esters may be perceived but do not dominate the flavour or aroma. A lighter body from higher carbonation may be noticed.

Abbey Beers

修道院啤酒

Distinct from trappist beers, abbey beers are brewed by commercial brewers and license their name from abbeys, some defunct, some still operating. Like trappist beer, abbey beer is not so much a style of beer but covers in fact several styles.

Under each brand name, typically a range of several beers is presented, with blonde or brown versions of typically 6.5% ABV which are also available on draught, and stronger bottled beers in the dubbel or tripel styles.

1 Affligem Tripel

300ML ALC 9% VOL.

King of the abbey beers. Delivers a complex, full-bodied flavour. Vibrant orangey-amber coloured with a slight haze. Soft, thick creamy head. Aroma of yeast, pepper, coriander, pear, tangerine and banana. Dry pepper alcohol notes come next, leading to a slightly sweeter velvet fruity middle with tangerines and apple skins. Finishes with a herbal hoppiness.

HH\$65 / \$130

2 Karmeliet

330ML ALC 8.4% VOL.

Blond, robust, smooth and fruity three-grain top-fermented beer, fermented in the bottle, making it always fresh. Brewed with pride and patience after Karmeliet tradition with wheat, oat and barley.

HH\$65 / \$130

3 Maredsous

330ML ALC 6% VOL.

A delectable blond ale with sprightly fruitiness, soft malting and a slightly dry gently hopped finish. A sparkling nose, complex flavours and a touch of bitterness.

HH\$55 / \$110

4 Saint Bernardus Abt

330ML ALC 10% VOL.

The absolute top quality in the hierarchy of the best beers in the world. It is also the beer with the highest alcohol content from this brewery. A dark ivory coloured beer with a high fermentation. The showpiece of the brewery.

HH\$65 / \$130

5 St. Sebastiaan Grand Cru

The St. Sebastiaan Grand Cru is a very special ale, with a soft malt taste. Have a good time enjoying this jewel of the classic art of brewing.

HH\$135 / \$270

Trappist Beers

修道院啤酒

A trappist beer is a beer brewed by or under control of trappist monks. Of the world’s 171 trappist monasteries (as of December 2016), twelve produce beer and six are in Belgium.

These breweries are authorised to label their beers with the ‘authentic trappist product’ logo that indicates a compliance to various rules edicted by the international trappist association. No profit can be made unless it is used for charity or for renovating purposes.

The beer must be brewed with water from the well of the monastery, under the supervision of the monks and within the walls of the monastery.

The ordinance prescribed that the monks had to provide themselves with food and beverage. The beverage that was available at that time was beer.

### Fruit Beers

水果啤酒

Fruit beers are ‘Lambic’ style beers, which are usually blends of two or more beers.

In the process of creating this style spontaneous fermentation is used, where the barrels are exposed to the open air after the ‘wort’ has cooled.

There is a wide variety of fruit beers as ‘Lambic’ style beers, they are commonly tart and require the addition of sugar or fruit flavours.

**1 Deus Brut de Flandres**  
750ML ALC 11.5% VOL.

Pours a fantastic, gorgeously blossoming head and deep yellow straw brew, exploding in a bouquet of yeast and summer fields. Aroma is fruity with citrus and grape and is very wine-like. Very lively carbonation. Sweet flavour, slightly spicy and alcoholic. Has a very nice light bitterness in the finish. This is a great welcome drink or can substitute for champagne at any time.

HH\$345 / \$690

2

**2 Chouffe Houblon Dobbler IPA Tripel**  
750ML ALC 9% VOL.

Pours a golden haze, cloudy and opaque colour with a light bubbly head that dissipates quickly and leaves lacing down the glass. Crisp straw smell with maybe some light malt flavours almost like champagne apple cider. Taste is light and refreshing. Hops, come through lightly. Citrus and pear notes shine in the finish. Light and crisp with hints of grass straw. High carbonation, a great finish, very solid beer.

HH\$140 / \$280

3

**3 La Chouffe**  
750ML ALC 8% VOL.

Beautiful marriage of tangerine and yeast flavours. Quite spicy with a terrific mouth feel that tingles the tongue. It's actually to be categorised in between a white beer and golden strong ale. This is a wonderful Belgian strong!

HH\$120 / \$240

4

**4 Saison Dupont**  
750ML ALC 6.5% VOL.

A huge fluffy head, amber colour, hazy appearance and balanced flavour of sweet malt hops. Saison Dupont has light hints of spice and earth alongside Belgian yeast.
